The next Ultreya will be hosted by the Cursillo Community of St. Andrews Episcopal Church in Saratoga.

St. Andrews is located at 13601 Saratoga Ave. just south of Fruitvale Ave.

Bring along that special candidate you sponsored...or that special sponsor who "sent" you to your weekend.

Also, bring along a finger food to share or some fluid refreshments, a musical instrument if you play, and an open heart.

We are looking forward to an amazing witness talk, a time of rich fellowship, and of course praising our God with song.

The Cursillo stool

...Exploring the implications of Cursillo's three-legged stool--piety, study and action--Griswold *the Presiding Bishop* said that, in the call to deep and intimate companionship with the risen Christ, "prayer works in a wonderful way, deep within us. Prayer has been defined by a modern contemplative as an openness to love on every level of our being. A Jewish mystic says speech informs, prayer partakes. It is about communion and intimacy, rather than clarity. Prayer purifies us, works in us the mind of Christ, overturning the idols of our own fear, transforming the dullness of our blinded sight, allowing us to see with the eyes of Christ, opening the availability to the deep mystery of God in Christ. And God does the rest, often in surprising ways...

this is a portion of a report by the Episcopal News Service, reporting on the keynote address given by the Presiding Bishop at the 2001 National Episcopal Cursillo Seminar at Camp Allen, Texas.

Listen for the Heartbeat of God

2002 Weekend Update

The whole team held it's first meeting on Saturday, May 11th at ECA. We had a Spirit filled time of team formation and worship.

We also spent time in a process of discerning our individual gifts, abilities, and calling. As we all move forward into the heartbeat of God, each of us will hear a slightly different rhythm...the individual measure that is our unique calling to serve Christ during this 2002 weekend.

How will you serve Christ during this upcoming weekend?

God has a purpose for each of us. It's not too early to begin planning how you will participate in welcoming your candidates home.

It's certainly not too early to begin praying for the candidates, sponsors, and team. Nor is it too early to begin writing and making the Palanca that will move hearts and minds toward a deeper walk with God.

If you are a Cursillista and member of one of these churches please come to the next board meeting and become your Parish's Rep. **The Board meets on the third Wednesday of every month at 7:30 pm at St. Francis Episcopal Church in San Jose.**
