Saturday January 25th

7:00 pm to 9:00 pm

St. Edwards, San Jose

The next Ultreya will be hosted by the Cursillo Community of St. Edwards Episcopal Church in San Jose.

St. Edwards is located at 15040 Union Ave. at the intersection of Union and Hywy 85

Bring along that special candidate you sponsored...or that special sponsor who "sent" you to your weekend.

Also, bring along a finger food to share or some fluid refreshments, a musical instrument if you play, and an open heart.

We are looking forward to an amazing witness talk, a time of rich fellowship, and of course praising our God with song.

Keep up with all the latest information about your Cursillo Community.

CALLING ALL CURSILLISTAS

Once again the Monterey Bay and Santa Clara Cursillo Communities will have a presence at the upcoming El Camino Real's Diocesan Convention 2003.

We will be sharing a table and are in need of Cursillistas to staff the table. If you will be attending the convention please consider giving some service of time to make others aware of the benefits and blessings of Cursillo. We need people who can staff the table during break times. It's so important to have someone available who can answer questions. Also, we want to put some Palanca on all the tables before the Saturday morning session begins. Maybe you could help us delivering the literature to the tables. All help and energy will be greatly appreciated. If you are able to help please send an e-mail to our coordinator's address, ygiroux@katacomb.com.

Just as we did last year we will have literature from the National Organization as well as our own local flyers. Both communities will have candidate and team applications available.

We will also have a boombox with good sounds and maybe even some sweet treats available on our table. Are any of you willing to bake us some cookies to put out on our table. Mmmm Yummy!

Final 2002 Weekend Update from Susie and Jerry Ferguson

We were personally thrilled with every aspect of the weekend, including the many months of work in preparation for the weekend. Except for suggestions of minor tweaking, all of the feedback that we have had from the team, the candidates, and the sponsors has been very positive.

Our Cooks Crew was exceptional. There was a fresh and new style on this weekend, which we applaud. It confirms a belief that there are many ways to follow through on various tasks. All we have to do is allow the Holy Spirit to bring new energy and ideas to life on our Cursillo weekends. Everyone on the Cooks Crew brought with them a spiritually centered, raucous, fun loving, and high level of creativity tempered with a great sensitivity to the needs and moods of the Cursillistas.

We feel that every single member of our team would be a welcome asset to any future team. And we know that many of the candidates will become excellent team members on the upcoming 2003 Cursillo Weekend.

Servant Community Board Meeting

The Board meets on the third Wednesday of every month at 7:30 pm at St. Francis Episcopal Church in San Jose. St. Francis is located at 1205 Pine Ave. San Jose

HELP

The 2002 Weekend experienced a short fall in terms of financial support. We are sure the poor economic environment impacted contributions for this past weekend. As most of you know, the minimal cost per person necessary to pay for attendance at the weekend is now \$125.00.

If you are able to make a monetary donation to the Cursillo community at this time it would be greatly appreciated. Please mail your tax deductible check to the Santa Clara Servant Community at PO BOX 6735 San Jose, CA 95150-6735.

For those who don't really like to use checks anymore, we are looking into signing up for Pay Pal® which is a service that would allow people to use their ATM or even their Credit Cards to make donations electronically. We hope to have our Pay Pal® account set up sometime in January 2003.

Cursillo 2003

It's not too early to sign up to sponsor a candidate for the 2003 weekend. Just go to our website and print out the application. Mail the completed form to our PO Box 6735 San Jose, 95150-6735. Last years weekend filled up very quickly!
